FURNITURE

*You're* invited to make yourself at home.

.....

Hey, y'all, I'm Paula Deen. In case you don't know who I am, I'm a girl with this philosophy...I like to treat my family like company and I like to treat my company like family which has inspired this whole line of furniture. I like for everybody to feel comfortable like they've just come home after a long time away.

You can definitely tell that this furniture has been inspired by my life in the South and my home here in Savannah. I really do think you're gonna' love it as much as I do. It's all about feeling good, safe and comfortable in one's home. And just like my food, I send you comfort and love from my home to yours.

We all have clutter to hide and collectibles to show off. That's what inspired this favorite piece. Glass doors and lighting display your prized items, while hidden storage conceals the not-so-pretty stuff.
