FURNITURE

california

California, like a white sand beach, is stunning in its simplicity. Distinctly transitional, with a depth borne of unexpected craftsmanship, this collection can be as crisply tailored as dinner in Beverly Hills or as unbuttoned as a Malibu sunset supper.

Crafted of oak veneers and oak solids, the California collection offers fresh finishes and straightforward lines. It is all about your personal point of view. Adorn it with exotic orchids or cheerful peonies. Warm it with flickering candles or sunshine through an open window, because with the ever-adaptable California, you'll find yourself in an easygoing state of mind.
