

Varsity

smartstuff™
furniture for kids.

Varsity

Varsity, a new boys' and girls' collection from smartstuff,[™] combines the timeless traditional spirit of Friday night football games with the carefree comfort of whiling away a perfect summer day with friends. Just as today's kids work hard and play harder, Varsity has a confident, laid-back attitude that is casually sophisticated with a nod to classic collegiate styling and just a hint of contemporary finesse. With its clean, simple lines and state-of-the-art function, Varsity is perfect for boys and girls with active lives and all that goes with them. Moms and dads will appreciate the collection's grown-up styling, which easily transitions from childhood through the teenage years and beyond.

Function

(fūŋk-shən) **n.** – furniture that works better, so you can live better

- Innovative built-in lighting on nightstands and beds (Patent number USD644,049S)
- Safe, convenient lighting
- Nightstands and other selected items are equipped with charging stations (Patent number USD628,833S)
- Tailor storage to your needs with removable drawer partitions
- Bed accommodates 10" mattress
- Removable top bunk tray
- Hidden compartment in every dresser
- Removable under-bed storage trays
- Push and release drawer removal system
- Flip-down drawer in every dresser
- Three crib mattress heights
- Removable feet on every crib

Construction

(kən'strəksən) **n.** – dependable, safe, long lasting

- Bed rails bolt firmly together, no “hook and slot”
- Plywood slat roll bed foundations, stronger than wooden slats
- 9" ladder steps, wider and grooved for greater traction
- 9/16" drawer walls
- English dovetail construction, front and back
- Screwed-in back panels
- Metal, not wood, pins attach upper and lower bunks
- Soft, self-closing, full extension metal on metal drawer guides
- Adjustable levelers assure furniture sits level on uneven surfaces
- Drawers are tested to 50,000 cycles. That's the same as opening the drawer once a day for 137 years
- Finished crib mattress platform

Safety

(sāf-tē) **n.** – design features that prevent breaking, scraping, pinching and tipping

- Metal – not wood – bolts and pins
- Plywood slat roll bed foundations for greater strength
- Softened edges and corners
- Dressers, bureaus, chests, door chests and desk hutches include anti-tip restraint hardware and meet voluntary ASTM anti-tip guidelines
- Independent, 3rd party tested
- UL tested and listed
- Meets BIFMA, ASTM, CPSC, ISTA and California Air Resources Board standards
- Lead-free finishes
- Cord management system keeps floors free of extra cords
- Small openings eliminate entrapment hazards
- Built-in stops prevent drawers from falling out

Smartstuff Stuff

(stŭf) **n.** – there's stuff and then there's smartstuff stuff

- 1 Star chart with every bunk bed
- 2 Ergonomics guide with each desk
- 3 Set of coasters in each nightstand
- 4 Folding boards in each dresser
- 5 World map with every hutch
- 6 Growth chart with every crib
- 7 Exercise guide in every chest

smartstuff means more standard features:

- English dovetail construction, front and back
- Soft, self-closing, full extension metal on metal drawer guides
- 9/16" drawer walls
- Screwed-in back panels
- Dressers, bureaus, chests and desk hutches include anti-tip restraint hardware
- Adjustable levelers assure furniture sits level on uneven surfaces
- Bed rails bolt firmly together, no "hook and slot"
- High-low bed rail positioning
- Plywood slat roll bed foundations, stronger than wooden slats
- No box spring needed
